With less free time in our busy lives a visit to the proshop is often short and sweet with little time to browse and look at all the latest technology. Not any more. Now with the introduction of our new on line experience you and your friends can view most of our key products all day every day from the comfort of your armchair. All products can be purchased on line and shipped to your home or place of work allowing you to enjoy your equipment sooner. Our aim is to provide our customers with branded affordable golf merchandise from a fantastic choice at very competitive prices.

Our pro shop is packed full of golf equipment including a vast range of golf clubs from all the major manufacturers. Based at Upavon since 1993 Richard has developed a major force in Golf Retail. Our supplier base covers all the major brands in the Golf Industry including Adidas, Callaway, Cleveland, Cobra, Footjoy, Hi Tec, Masters, Mizuno, Odyssey, Ping, Powakaddy, Srixon, Sunderland, Taylor Made, Titleist, Top Flite, Yes and Yonex.

We offer a wide range of club specifications from stock with custom build specification

available to order. Over three hundred trial clubs are available enabling you to try before you buy on the Golf ranges. We are fully trained and authorised to Custom-Fit clubs by Callaway, Cobra, Ping, Mizuno, Taylor Made and Titleist.

As a Titleist Fitting Works Partner we are using the new Titleist Sure Fit Adjustable Iron fitting System. The ultimate iron custom fitting tool this large cart is the only one in Wiltshire offering 20 shafts and 21 heads giving 420 possible club specifications. As a qualified Titleist Custom Fit Expert this will allow Richard to provide a detailed specification for any one of the four new Titleist irons.

During 2008 we will be holding more of our popular demo days with Callaway, Cobra, Taylor Made and Titleist.

These days are the ideal opportunity to try before you buy and are normally supported by special offers and promotions.

Keep looking out for more details and dates for these popular events.

As an authorised Powakaddy Service Centre we repair and service your Powakaddy trolley to an approved industry standard within short periods of time getting you back on the course fast. Our Powakaddy service agreement has been in force since 1989 so our experience in diagnosing problems is second to none.

We look forward to your visit and helping to fulfil all your Golfing requirements.
